Noise reduction **25 dB(A)**

Silvent SDR18

Hose silencer

Hose silencer SDR features a unique design that provides effective noise suppression and will not allow the silencer to clog. Impurities can pass unhindered between the wall of the hose and the built-in absorber, eliminating the risk of explosion and disrupted service.

Technical data

Item number	500211
Weight	13 x 266 mm
Air connection	1/8 "
Sound	72,5 dB(A)
