SW 4441 drill pistol-type

13 mm keyed chuck

swepro SW 4441 - This drill has a 13 mm keyed chuck, is very powerful and its metal housing means it is weight-reduced. A pleasant soft-silicone handle ensures safe operation of the drill. The practical Right/Left switchover is on the handle right next to the activator, and so the drill can be operated with one hand. The SW 4441 lends itself to many applications in all sectors of industry.
