SW 9119DC-6 Random orbital sander

6" / Ø 150 mm / central-vacuum

swepro SW 9119DC-6 - This strong and noise reduced (due to its copper silencer) 6" orbital sander with lightweight composite housing and velcro sanding pad features excellent ease of use. Due to its non slip, vibration absorbing handle and its ergonomic design, it guarantees speedy and controlled working giving excellent surface quality. The integrated cooling system ensures that the bearing and spindle temperature is reduced and as a result we have a longer working period.

The SW9119DC-6 is perfect for use in the paintwork preparation, maintenance or industrial production.

Advantages/Special Features

integrated cooling system for a longer working period;
Double channel system for stronger suction;
360° turnable connection.

Technical data

Item number	789148
Weight	0,910 kg
Air consumption	0,430 m³/min
Air connection	1/4" IG BSPT
Dimensions LxWxH	260 mm
Max. Operating pressure	6,3 bar
Free speed	12000 1/min
Sanding Pad	150 mm

Orbit Diameter	5 mm
Vibration	2,0 m/s ²
Trigger	lever
