Silvent 2050-S

Stainless steel nozzle

SILVENT 2050-S: with a stainless steel nozzle. Extremely tough but, at the same time, handy aluminum gun. The perfect choice whenever durability is more important than a lot of technical finesse. The standard version of this gun is fitted with a durable stainless steel nozzle with a solid tip for the toughest conditions. Fully complies with OSHA safety regulations and EU Machine Directive noise limitations. Patented.
