

Noise reduction **40 dB(A)**

Air-/ cost savings **735 Nm³/h**

VA bar SV 376W-S

L = 450 mm / with 6 VA flat spray nozzles SV 9003W-S

SV 376W-S: is an energy-efficient, stainless steel air knife that generates an extremely strong, effective blowing force, while keeping the sound level exceptionally low. This air knife makes the best use of compressed air and its unique design introduces an entirely new quality to blowing technology. The effect is achieved through the aerodynamic nozzle design, which maximizes co-ejection of air. This new Silvent Technology utilizes as much of the surrounding jet area as possible.

Technical data

Item number	733806
Weight	2142 g
Air consumption	318 Nm ³ /h
Sound	90 dB(A)
Blowing Power	61,8 N
Max. Operating pressure	1,0 MPa
Max temperature	400 °C
Material	1.4404 Stainless Steel
Air pattern	Flat
Connection	1 BSP
