Silvent PSK 18

Adjustable ball joint

Adjustable ball joints for regulating the air cone. These joints make it possible to readjust the blowing angle without affecting fixed equipment. Correct setting of the blowing angle means both lower noise levels and increased efficiency. Available in 4 different sizes. Seals of Nitrile. Material: stainless steel.

Technical data

Item number	768014
Air connection	1/8 "
Dimensions LxWxH	22x31 mm
Material	Stainless Steel
