Silvent PSK 38

Adjustable ball joint

Adjustable ball joints for regulating the air cone. These joints make it possible to readjust the blowing angle without affecting fixed equipment. Correct setting of the blowing angle means both lower noise levels and increased efficiency. Available in 4 different sizes. Seals of Nitrile. Material: stainless steel.

Technical data

Item number	768016
Air connection	3/8 "
Dimensions LxWxH	27x40 mm
Material	Stainless Steel
