

SW M5143 Mini-angle grinder

3" / 76 mm

swepro SW M5143 - This practical and compact Mini-angle grinder is perfect for grinding, polishing thanks to its quiet mode of operation despite the maximum speed of 22000 1/min. The device has a stageless control, a safety switch for protection against unintentional switch-on and a 360° variable discharge air outlet. By a lubricating nipple which is mounted on the angled head of the grinder, a fast lubrication of the grinder can take place.
