SW 7632 Corner grinder - 4" /100mm

17.000 1/min - 1HP

swepro SW 7632 - This handy, compact and also extremely robust corner grinder is ideal for grinding, buffing, polishing and deburring. Thanks to the installed Kevlar blades and ball bearing "Made in Germany", a long service life is guaranteed. The tool has a security switch to prevent the tool from unintentional starting of the tool and due to a rear exhaust the exhaust air will be blown away from the workstation.
