SW 7625 Angle grinder 3+6mm

17.500 1/min - 0,5HP

swepro SW 7625 - This handy, compact and extremely robust angle grinder is ideal for grinding, polishing and deburring thanks to its smooth running. Thanks to the built-in Kevlar blades and the high-quality German and Japanese ball bearings, a long service life is guaranteed. The device has a safety switch against unintentional switching on and keeps the exhaust air away from the workplace, thanks to rear exhaust air routing. The grinder is supplied with a mounted 6mm collet and another 3mm collet. supplied.
