## SW 7117-DC6 Central vacuum sander

**6" / Ø 150 mm / central-vacuum**

swepro SW 7117-DC6 - This all-purpose and low-noise 6" random orbital sander with its light weight composite enclosure is very convenient to use. Its non-slip and vibration damping handle and ergonomic design guarantees quick and controlled working, yielding a high surface quality. The tool has a velcro sanding disc and integrated dust extraction and is ideally suited in preparation for painting, for repair work or in industrial manufacture.
