

SW 6355 Riveting Nut Tool - M3 - M12

swepro SW 6355 - This lightweight and ergonomically designed air riveting nut tool has an lightly trigger for pulling and spinning out the nuts. The tool can be suspended by an balancer or hand-held. SW 6355 is ideal for Air-hydraulic operations, e.g. for heavy duty plastic bodies. The air inlet is 360° universal rotatable caused by an joint. The precise and powerful air motor is efficient for forward and reverse work. Other positive features are the soft rubber handle for easy operation and the safety valve. Its release automatically the pressure, when the pressure is over the set to protect the user and the tool.

Technical data

Item number	789159
Weight	2,45 kg
Air consumption	0,125 m ³ /min
Air connection	M3 - M12
Max. Operating pressure	6,6 kg/cm ²
Power	2176 kgf
Trigger	Trigger-type
