Power **0,90 PS**

Sanding Pad **20 x 520 mm**

SW ABS520C Air belt sander

20 x 520 mm / 18.000 1/min

With its 0.9 HP motor, the SW ABS520C offers more power and is particularly suitable for more demanding sanding tasks. Like the SW ABS330C, this model is also characterised by a swivelling sanding arm, which makes it easier to work in hard-to-reach areas. Both devices have an adjustable speed control that allows the sanding speed to be adapted to the material in question. An innovative tensioning system ensures secure belt guidance and quick belt changes. The ergonomic composite housing supports fatigue-free working, while the double noise damping and safety features such as the operating lever with safety lock ensure comfortable and safe operation.

Technical data

Item number	789206
Weight	1,00 kg
Air consumption	480 l/min
Sound	80 dB(A)
Dimensions LxWxH	L= 396 mm
Max. Operating pressure	6,30 bar
Free speed	18.000 1/min
Power	0,90 PS
Sanding Pad	20 x 520 mm
Vibration	0,80 m/s ²
Hose diameter (inside)	6,35 mm
