SW 8118-NC6 Orbital Sande

6" / Ø150mm - 12.000 1/min / Ø5mm Orbital

swepro SW 8118-NC6 - This fast 6" random orbit sander with a lightweight composite body and a new generation of swepro Velcro pads offers a high degree of operating comfort. Thanks to its non-slip and vibration-absorbing handle and the ergonomic design of the housing, fast and controlled work with a high surface quality is guaranteed. Due to its low weight, the user can easily handle the SW 8118-NC6. It is ideal for use in paint preparation, repair or industrial production. Advantages/special features: compact and lightweight design with ergonomic handle
