SW 4443A High-performance air drill

13 mm key chuck / 400 1/min

swepro SW 4443A - This powerful high-performance air drill is very powerful and has a rugged metal housing. Due to its low free speed of 400 1/min the air drill is ideal for drilling hard materials and for mixing of paints and varnishes. The SW 4443A is suitable for continuous use in the industry.
