SW SH1036PUB Spiral hose

PU braid, Ø10x6,5mm, L=3,6m, Coiling Ø33mm, AG 1/4" BSP(T)

SW SH1036PUB is a spiral hose of the latest generation. It is reinforced with a nylon net. Despite the reinforcement, the hose is very flexible. Due to the small windings the hose offers optimal handling, even in small spaces. Kink protection on both sides and high-quality 360° rotating connections round off the overall concept of the new PU hose. The spiral hose is available in the following lengths: 2.4m/3.6m/5.0m/7.5m.

Informação técnica

Número Artigo	769603
Peso	0,31 kg
Pressão Máxima	15 bar
Nível de Temperatura em	-20° / +60°
Diâmetro exterior da boca	55 mm
Diâmetro da mangueira	10 mm
Diâmetro da mangueira	6,5 mm
Conetor	1/4"
Isolante	Poliuretano (PU)
