SW 7635 Angle grinder 6mm

15.000 1/min - 1HP

swepro SW 7635 - This handy, compact and also extremely robust angle grinder is ideal for grinding, polishing, and deburring due to its smooth running. Thanks to the installed Kevlar blades and the ball bearings "Made in Germany", a long service life is guaranteed. The tool has a safety switch against unintentional starting and due to a rear exhaust the exhaust air will be blown away from the workstation.
