SW 316 Micro grinder

3 mm collet / 56000 1/min

swepro SW 316 – This high-speed axial grinder is ideally suited for many grinding tasks, also in confined spaces. Due to its handy and short design, this low-budget tool is particularly suited for milling, grinding and de-burring in tool and mould making as well as metalworking. The tool is conveniently operated via a practical twist mechanism and has an exhaust via a noise reducing hose.
