## SW 22015 Balancer

**0,6 - 1,5kg / air hose travel length 1,5m**

swepro SW 22015 - A swepro balancer is distinguished by their longevity and precision. The balancer features a reliable relief for assembly operations and enables effective workflows. The Balancer is positioned straight over the work area with a solid suspension. On the frontside is a rotatable adjustment of the spring tension, to adjust the resistance on the weight of the towed implement. SW 22015 is suitable for a weight of 0.6 to 1.5kg and has a maximum air hose travel length of 1.5m. [PU HOSE DIA.6.5 X 10MM]
