SW 2577 Vibration-reduced chissel hammer

3.000 1/min - 63mm piston stroke

swepro SW 2577 - The robust, low-vibration pistol-type chisel hammer with ergonomic and damped handle has a button release and is ideally suited for industrial use. It is suitable, for example, for all material removal work in foundries, machine shops, shipyards and construction sites. Its exhaust air changeover makes it possible to switch between a front and a backflow direction. Common applications are e.g. the cutting of sheet metal, the knocking off of bolts, rivets, tiles or plaster and slit work. Thanks to the quick coupler, the chisels can be changed quickly and easily.

Technische data

Artikel nummer	789317
Gewicht	1,7 kg
Luchtverbruik	396 l/min
Lucht aansluiting	1/4 "
Geluid	97 dB(A)
Afmetingen LxBxH	L=180 mm
max. Bedrijfdruk	6,3 bar
Draaisnelheid	3.000 bpm
Kracht	9 Joule
Vibratie	11,1 m/s ²
Hendel	Knop
