SW 38LE Extended Air Die Grinder

**6 mm collet / lever-start type / rear
exhaust hose**

swepro SW 38LE - This powerful and extremely robust extended air die grinder ensures easy accessibility of hard to reach areas and is ideal for surface machining of steel and cast iron, deburring and for cleaning welds. Due to its metal case it finds in many industrial use, e.g. in foundries, tool manufacturing and machinery. The grinder can be switched on with a comfortable lever-start mechanism and keeps the exhaust air away from the workplace.

Technical data

Item number	783731
Free speed	20000 1/min
Dimensions LxWxH	L: 290 mm
Weight	0,800 kg
Air consumption	0,300 m ³ /min
Sound	88 dB(A)
Vibration	4,6 m/s ²
Collet	6 mm
Direction of rotation	Right
Trigger	lever
Connection	1/8 BSPT
