SILVENT 332 - 336: a quiet and efficient air knife with angled SILVENT 931 flat nozzles and a specially designed stainless steel manifold. The small mounting dimensions make these air knives suitable for machine designs where space is limited. Generates a broad but flat air cone and combines the advantages of low noise level, low air consumption and high blowing efficiency.

## Technické údaje

|                       |                       |
